Remote working management skills for HR professionals

The E+ REMOWA project is the result of a strategic partnership of 6 European countries, aiming to document the emerging skills gap for managing a remote workforce & to develop corresponding OERs and a training course for the continuous professional development of HR professionals.

Objectives

- Document skills required for managing a remote workforce and improve skills intelligence at EU level.
- Define learning outcomes for a C-VET course for HR professionals on remote work management.
- Make available a sector-validated online course for HR professionals.
- Provide ready-to-use tools for the workplace to support the role of HR professionals as trainers and mentors.

Target Groups

VET providers, HR professionals, private companies, individual consultants and coaches and education & training authorities
